

EMISSION-FREE POWER ON DEMAND

Providing a corded alternative to facility operators, the Electric Power Edger is another emission-free solution for arena edging needs.

**ELECTRIC
POWER
EDGER**

-  GFCI and 250 foot power cord included
-  Robust eight-sided carbide cutters
-  Depth control is infinitely variable and not limited to factory presets

MOTOR AND POWER

Powerful electric motor easily handles the 18-inch cutting path. The cord provides power when and where you need it. GFCI and 250 foot power cord included.

CUTTERS

The rugged eight-sided cutter delivers a wide 18-inch cut. Long-lasting blade reduces replacement frequency. Depth adjustment is close at hand for ease of operation.

OPERATION

Contoured snow chute directs snow toward center of ice, away from the boards and operator. Adjustable board guide is standard.

HANDLING

Easy on/off ice handling. Large rubber wheels provide stable maneuvering. Weight: 63 kg (140 lb)

CONSTRUCTION

Heavy duty steel plate body and runners ensure smooth, wander-free control. Baked-on powder paint and zinc electroplating for corrosion protection.

GLOBAL SERVICE AND SUPPORT

Zamboni Customer Service and a network of Zamboni Authorized Distributors provide exceptional and accessible service and support worldwide.
